Detailed Comments

Objections to the Specification

The Examiner objects to the Specification and requires inclusion of the contents from JP 2002-252617 which has been incorporated by reference. The Applicants note that this JP reference is the foreign priority document of the present Application, and as such, the contents of which are non-essential and/or material that is cumulative to the subject matter disclosed in the present Specification. Therefore, they need not be included in the Specification as incorrectly required by the Examiner.

Drawings

The Examiner has objected to the drawings filed on June 6, 2007, because the drawing sheets submitted were not properly labeled on the top margin as “Replacement Sheet”. Applicants therefore respectfully submit herewith the replacement drawing sheets correctly labeled the top margin as “Replacement Sheet”. The Applicants respectfully request acknowledgement that this replacement drawing is acceptable.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the

Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
